MEDTECH EUROPE EVENT

The MedTech Forum 2019

2019-05-14 - 2019-05-16

Paris

The MedTech Forum 2019 (incl. GMTCC) will be held on 14-16 May at the Cité des Sciences et de l'Industrie in Paris.

The MedTech Forum is the largest health and medical technology industry conference in Europe and has been a key event since 2007. In 2019, over 1000 healthtech stakeholders - industry leaders, disrupting innovators, investors, medtech experts, SMEs and much more - will gather to discuss the issues facing the sector, the trends shaping the future, and the opportunities that lie ahead.

NEW in 2019: Two events in one

As of 2019, the **Global MedTech Conference (GMTCC)** will be included in the MedTech Forum. Organised jointly by MedTech Europe and AdvaMed for over a decade, the Global MedTech Compliance Conference (GMTCC) brings together the international healthcare compliance community each year to share ideas and experiences in ways that inspire new partnerships and innovative solutions to the MedTech industry's critical compliance challenges.

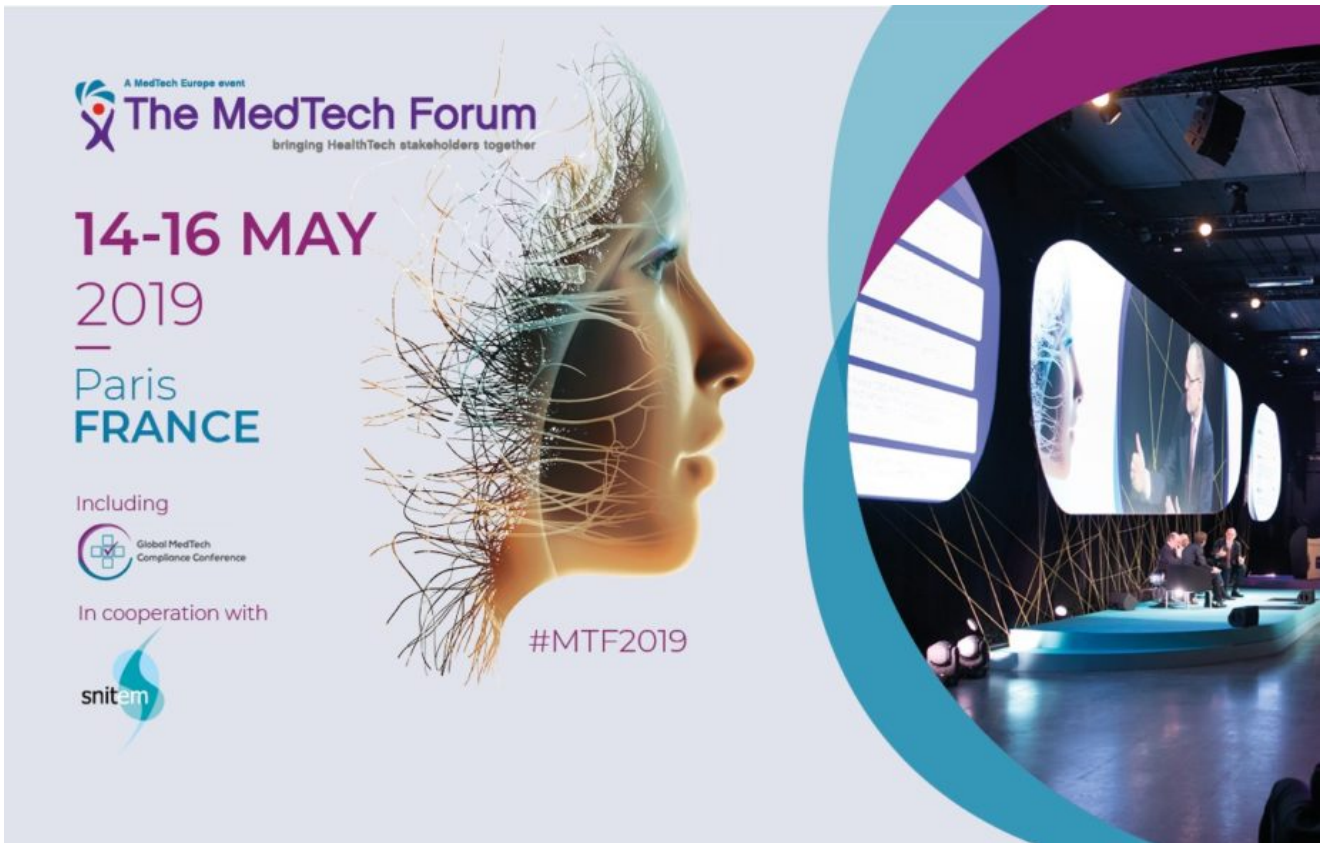

Moreover, we partner with SNITEM (the French association for medical devices) and the **5th Innovative Medical Device Startup Day** which will be held on 14 May.
